£550 Cover of training	Money used to cover the PE Coordinator and teaching assistants whilst on courses		
£825 Dance specialist	Hired a Dance specialist to come in and peer coach all teachers from Y1-Y6 for the Autumn term. He gave 3 sessions for each of the teachers. In one they observed, second peer taught and the third the specialist gave feedback on how to improve.	This was an invaluable experience for the school as it offered new knowledge and skills that could be developed. It gave confidence to the teachers and the children gained new enthusiasm for the subject.	Look at how this can be implemented into the next academic term.
£1009 PE Equipment	Updated the school's existing equipment. Great emphasis on improving outdoor equipment for lunch and break times.	Greater supply of resources for school to access and use.	Continue to monitor and update where necessary.
£300 PE Festival	Used the money to support Year 4 to partake in SCSP Mini Olympics.	Enabled pupils to develop and learn new skills in an environment they may not have encountered until secondary school.	Continue to do next year.
£1000 SCSP Membership	Annual subscription to partake in activities within Cambridgeshire.	Allows the school to partake in SCSP activities throughout the year including: festivals, course and competitions. This develops the children's competitive nature and teamwork.	
Total spent: £9450
