'Suntastic' Sports Day!

On Friday, we hosted our annual sports day! Our KS1 children took part in 16 mini sporting activities in the morning, with our year sixes designing each event. Every child from KS1 then raced in the hurdle race, egg and spoon and the sprint race! In the afternoon it was our KS2 children's turn to do the 16 activities that were led by Cottenham VC students. Again, all the children raced three times at the end of the day. We also had time for a teacher 3-legged race which was won by Mrs Price and Mrs Childerley. A massive thank you to all of the fantastic Year 6 children who set a good example to the younger children during the morning and to the brilliant 16 Cottenham VC students who gave up their afternoon to help out too. Thank you to all families who came and supported the children and helped make the day a success.

Beautiful Diversity

The pupils spent all day on Tuesday learning about and discussing the beauty of diversity within our world. The children focussed on how we are all different in many ways, but also similar in many more. During the morning children stayed in their own classes and year groups and then came together in their Houses for the afternoon's activities. It was a pleasure to see the pupils of all ages tackling the topic with sensitivity – we will be sharing their final artwork with you very soon. A big thanks needs to go out to Miss Price and Ms Varty, who spent an awful lot of time organising what was a very successful day.
