## Year 1 History Tour Of Willingham

On Wednesday, Year 1 went for a walk around Willingham and they saw how old the buildings were. They learnt about the history of the barn and how it has now turned into a house. They also learnt that there was a secret door in the church which is now covered by bricks; that there was a bicycle shop in Church Street and how there used to be no pavements. The children were amused by how cows used to walk up and down Church Street in the past. We now have lots more to learn in Topic about the history of Willingham!

## Sports Update

The children of Willingham have been very busy in their first week back taking part in lots of sporting activities! On Monday our Netball Team competed in the 'A Team Plate Netball Finals' at Comberton VC. They tried very hard against some very strong teams. On Tuesday we had an incredible 61 children attend running club including some Year 2 children who came for the first time. Our record number of children attending running club is 71. We are hoping to beat that number next week! Finally, on Thursday afternoon 24 children ran at Priory Park in a Cross Country Competition. The effort and determination to do well from all the children was fantastic. Well done to everyone who represented the school and for all the parents who helped with transport.

## Notices

### Lost Property

The amount of unnamed lost property in school is growing by the day! Please remember to name all clothing that your child wears in school including PE kit, new house t-shirts, shoes, coats and water bottles. If clothing is named then we are able to quickly return items to your child. We will display all lost items outside school at the end of this half term, weather permitting, after which all unclaimed items will be recycled. Thank you in advance for your help with combatting the lost property mountain!

### After School Club—Old Shirts

Please could After School Club have any old shirts you may have for their art projects. Thank you.
