# Chinese New Year in Reception

The children in Reception have been learning all about Chinese New Year in preparation for their pretend trip to China next week. They have been making dragon masks, learning lion dances, filling out their passport applications, experimenting with drumming and listening to stories about

The Great Race and Nian the monster. They are very much looking forward to impressing the adults from home with their Chinese New Year knowledge.

## Notices

### WSA Funding

The WSA have approved funding of over £1100 to fund TT Rockstars & Numbots subscription, Digimap program for Year 5/6 Geography, swimming pool funding and the coach for the choir to the O2. We have also agreed to fund over £6000 to update the ICT suite, using £4347.97 of Co-op funding. We are always looking for new team members - chat to one of the WSA members or email [willinghamschoolassociation@gmail.com](mailto:willinghamschoolassociation@gmail.com) if you are interested in getting involved.

### Plea From After School Club

If you have any of the following at home that you no longer need, After School Club would love to receive them please: plastic play zoo or farm animals, and dinosaurs; bean bags or the beans for inside bean bags (our bags are very flat); small toy cars. Thank you

### Road Safety

Please can we remind you to ensure your child walks or scoots to school safely, especially taking care when crossing junctions. We have had two reports this week from members of the public concerned about the speed at which children travel along the path and not looking when crossing junctions.

Thank you

## Achievements and Awards

### Week ending 31st January:

**Brian Retallick Cup:** Isla Yr4—for her compassion toward another child

**H.E.R.O Here Everyday Ready and On time:**

R/KS1 — Mary Anning Class— 97%

KS2 — Tim Berners-Lee Class— 99.6%

**House Points: Winners - Sanger**

## Year 4 Maths Challenge

Last week some of Year 4's mathematicians participated in a competition amongst over 100 other schools in Cambridgeshire. The competi-

tion was comprised of various mathematical tasks working with dice, pentominoes and tangrams, which pupils solved in teams. Congratulations to our pupils for their excellent effort in this mathematical challenge!

## Kurling

This week, Willingham Primary School took part in two Kurling Events! The first was on Monday afternoon at Bourn Academy School where 6 children played in a friendly event. The children played three different activities during the afternoon! On Wednesday we had a further 8 children travel to Bassingbourn VC to take part in a Kurling Competition against 11 other schools. These children had four different activities to attempt and it was a fantastic experience for the children. Every single child that took part this week represented Willingham Primary School brilliantly. Well done!
