

Y3/4 – Rocks

L.O: to identify the properties of rocks.

1. Look at the different properties of rocks on <http://resources.hwb.wales.gov.uk/VTC/rocks/eng/Introduction/MainSessionPart2.htm> - complete both Part 1 and Part 2.
2. Write down definitions for the words/phrases 'permeable', 'impermeable', 'porous' and 'easily weathered'.
3. **Challenge:** can you find some examples of permeable and impermeable rocks?
