

Weekly Spellings for Year 5 and 6: Test on Friday April 3rd

Select the spellings that you need to learn and practice them for your test on Fridays. You can do your test in your Home Learning Book and mark them yourselves. If you have time and you wish to, you can write out the definitions with a sentence for each word as we usually do in our Homework books. There are definitions provided below to help you, or for an extra challenge, create your own definitions using a dictionary. Good luck!
