

Week commencing Monday 6th April 2020

We know that it is now officially the Easter Holidays, however at a time when everything is so different, structure can really help. We will continue sharing ideas over the next two weeks if you should wish to complete them at home. Don't forget to email us and let us know what you are up to!

Writing

Read the story of Goldilocks and the three bears

<http://www.bbc.co.uk/wales/snapdragon/yesflash/story.htm> (I had to use Internet Explorer rather than Chrome).

Use the Goldilocks story map to try and retell the story of Goldilocks and the three bears.

Do you remember the words? (A script is attached as 'Goldilocks written story')

Can you do the actions as you tell the story?

Draw your own story map to help you remember the whole story. Remember to keep the story in the right order.

Give your story map a title and label some of the pictures (eg bowl, chair, stair, crash, sleep).

Reading

All books available on 'Oxford Owl' in ages 4-5.

This website is free to sign up to and will allow you to read books online.

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

Please follow the following link for a reading game 'Pick a picture':

<https://new.phonicsplay.co.uk/resources/phase/2/pick-a-picture>

You can sign up to this website for free, using the following log in details. There are lots of great phonic and reading activities available. (We are up to Phase 4 in Phonics lessons.) The new version of the website will work on tablets/phones whereas the old version will only work on a computer with Adobe Flash player.

Username: **march20** Password: **home**

For this game, you need to read the word then click on the correct picture. Phase 3 (digraphs) will be the most challenging but we know you love a challenge!

Tricky Troll Words:

Continue practising your last three Tricky Troll words sets. All sets can be found at:

<https://www.willingham.cambs.sch.uk/page/?title=Week+1+%2D+24%2E03%2E20&pid=342>

Top tip: Lay your most recent set of tricky troll word cards out so you can see all the words. Put a small sweet/treat on each word. When your grown-up points to a word you have to say it without sounding it out. If you get it correct, you get to eat the treat, if not, your grown-up gets to eat it. Don't let the grown-ups win!

Phonics

Watch the phonics recap clips 'long oo' and 'short oo' on the Willingham Primary School YouTube channel and complete the activities within them.

Maths

Watch 'Week 3 – Maths – Patterns' video on the Willingham Primary School YouTube channel and then make your own pattern to send to Miss Aldhouse!

<https://www.youtube.com/channel/UC7XJ6Am7-Tdmnb6Vsn4vb9A>

Have a play on this game and see if you can continue the patterns. Try not to let this trick you, look at the shapes and not just the colours! (Tablet friendly)

<https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns>

Have a go at the different levels on this game. See if you can recognise the amount without counting. (Tablet friendly)

Play on Numbots: <https://play.numbots.com/#/account/school-login/3098>

Your login for Numbots is stuck inside the front cover of your reading record. If you cannot find it, please email your teacher and they will be able to send it to you.

See if you can get yourself to the top 3 in the class! (Scores shown are the total coins earned as of 1.4.20)

Physical Activity

Joe Wicks is doing daily P.E lessons at 9am. These are then available on his YouTube channel to complete at any time.

Where possible, get outside for some exercise! This could be going for a walk with family, a bike ride or even running around in the garden.

Other activities

Design and decorate an Easter Egg. You could even use it as the front of an Easter card like Betty and her dad have.

During the Easter Holidays you might like to do some baking. Miss Aldhouse made some delicious Mini Egg cookies at the weekend. On our YouTube channel you can watch 'Baking with Miss B' and follow her recipe for fairy cakes.

Don't forget to send us photos of what you are up to!

**The Willingham School Association have shared a theme each week to create a picture to display in your window. When you are on your daily walk, see if you can spot any. This week's theme is anything to do with Easter. The teachers who live in Willingham have loved seeing your pictures of rainbows and sunshine on their walks!*
