

Goldilocks and the three bears

Once upon a time there was a little girl called Goldilocks. One day she went for a walk in the woods and she saw a house. She sneaked inside and saw three bowls of porridge.

The first bowl was too hot. The second bowl was too cold. The third bowl was just right and she ate it all up. Next she went for a sit down. The first chair was too hard. The second chair was too soft. The third chair was just right but then it went CRASH on the floor. After that Goldilocks went for a lie down. The first bed was too high. The second bed was too low. The third bed was just right and she fell fast asleep. The three bears came home and stomped upstairs. Goldilocks woke up and screamed!

She ran all the way home as fast as she could. The three bears lived happily ever after.
