

# YEAR 5/6 SCIENCE, HISTORY AND GEOGRAPHY

## SUGGESTED ACTIVITIES WEEK THREE

### GEOGRAPHY

*LO: To name and locate counties of the UK*

Use the following link <https://www.youtube.com/channel/UC7XJ6Am7-Tdmnb6Vsn4vb9A/> and watch 'Cloughton's Campervan Counties'! This week we are exploring some of England's counties that have a coastline. We are 'virtually' travelling to Tyne and Wear, East Sussex, Dorset, East Riding of Yorkshire and Norfolk. After watching, you could attempt the English counties quiz found at [https://www.toporopa.eu/en/uk\\_england\\_counties.html](https://www.toporopa.eu/en/uk_england_counties.html) and you could explore the links on the information sheets to find out more about these counties.

### HISTORY

*LO: To name and learn facts about gods and goddesses worshipped by the Ancient Greeks*

Go to the following link: <https://www.bbc.co.uk/bitesize/topics/z87tn39/articles/zgt7mp3>  
Read all of the information, watch any clips and take notes as you go. You can find out more information about the gods and goddesses here:

<https://www.dkfindout.com/uk/history/ancient-greece/ancient-greek-gods-and-goddesses/>. When your brain is full of facts, try to make a fact file (save this on Purple Mash if you like) or you can simply relax and listen to some stories about Ancient Greek gods and goddesses at: <https://www.bbc.co.uk/teach/school-radio/ks2-ancient-greece/zk73nrd>  
Mrs Green will also be reading some Greek Myths and Legends on the school's youtube channel so look out for those!

### SCIENCE

*LO: To know and explain the phases of the moon*

Take some time to look at the links below for some more Earth and Space revision. You might want to make some brief notes about phases of the moon as you go along.

<https://youtu.be/f4ZHdzl6ZWg>

<http://www.primaryhomeworkhelp.co.uk/moon/phases.html>

Once you have reminded yourself about why the moon 'appears' to change shape, have a go at the phases of the moon quiz found in the week 3 folder. You can also use these Quizlet resources to support your learning: <https://quizlet.com/260739575/test>
