

Maths Year 2 Monday 13th April

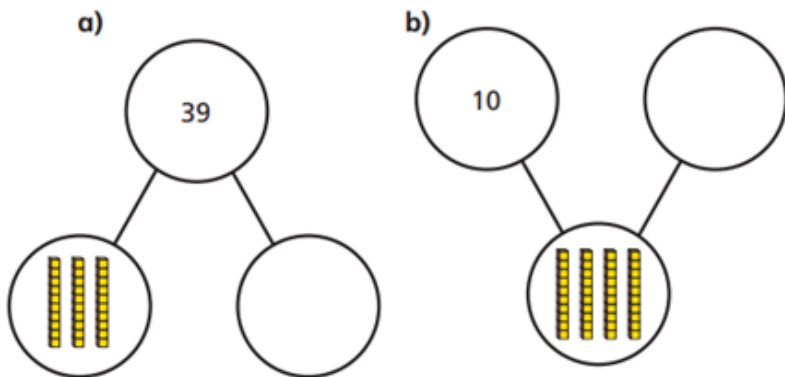

LO: To partition numbers in different ways

Watch Mrs Sutton's video about partitioning (look on our YouTube channel!) and then answer these questions in your books.

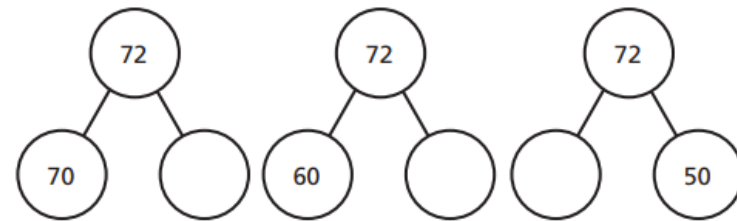

1 Write a numeral to complete the part-whole models.

2 Write a numeral to complete the part-whole models.

3 Complete the part-whole models.

What is the same and what is different about the part-whole models?

Complete the sentence for each part-whole model.

72 is made up of tens and ones.

72 is made up of tens and ones.

72 is made up of tens and ones.

How many other ways can you partition 72?

How many different ways can you partition the number 58?

Draw part, part, whole models to help you to work it out.

Show your answers as number sentences.
