

Year 2 Maths Thursday 16th April

LO: To count in 10s

Watch this video and join in counting forwards and backwards in 10s!

<https://www.youtube.com/watch?v=7stosHbZZZg&t=11s>

In Year 2 we should be able to count in 10s from any starting number. Here I am starting at the number 7 and counting in 10s.

What do you notice?

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

- When we count in 10s on a 100 square, we just move down the column from the start number.
- The digit in the ones column always stays the same.
- The tens digit goes up by 1 each time.

Use the 100 square to fill in the missing numbers in these sequences.

Copy the sequences into your book:

a) 5 15 25 ___ 45 ___

b) 64 54 ___ 34 ___ 14

c) ___ 21 31 41 ___ 61

d) 76 ___ ___ 46 36 26

e) 13 ___ 33 43 ___ 63

f) ___ 32 42 ___ 62 72

g) 76 86 ___ 106 ___ 126

h) 115 ___ ___ 85 75 65

i) ___ ___ 23 33 43 53

j) 74 64 ___ ___ 34 24

Now fill in the missing numbers in this song:
