

# History

What can we remember from our first History unit about ancient Greece?

# In the history of the world, when were the ancient Greeks?

*BC?*

*(before Christ, before year 1 AD)*

*AD?*

*(anno domini, since the birth of Jesus, since year 1)*

# Timeline

**BC**

After the ancient Egyptians,  
before the Romans.

Geographically, where in the world are we talking about?

*Can you remember?*

Ancient Greece was not as we know Greece to be today. It was made up of many city states from different areas such as, the Greek mainland, Crete and the Greek islands, to name a few.

We learnt about a few different poleis (city-states), can you remember their names?

Sp\_\_\_\_\_

A\_\_\_\_\_

Sy\_\_\_\_\_

polis = city-state (singular)  
poleis = city-states (plural)

Sparta

Athens

Syracuse

Find them on the map.

You are now going to retrieve your knowledge about Athens through the same information drawing we did in class.

*You will need:*

*-your Home Learning book*

*-a pencil*

*-the WPS youtube channel, and the video called '20.04.20 Yr 3 & 4 Greek Polis' <https://www.youtube.com/channel/UC7XJ6Am7-Tdmnb6Vsn4vb9A/videos>*

1-Watch the video. (No drawing at all! Just watch.) Watch it a second time.

2-Now try and draw it yourself, remembering what you can, try to say the information out loud to yourself as you do it.

3-Look at the last image of the video *(it's also on the next page)* and add in any extra bits you forgot.

4-Do it again, if possible to someone in your home, explaining it as you point to each part.
