

## **Week commencing Monday 27<sup>th</sup> April 2020**

We hope that you enjoyed the Easter Holidays. This term, in EYFS, we are joined by Mrs Keeble who is returning from maternity leave. Mrs Keeble is very much looking forward to meeting you all, feel free to email her to introduce yourselves and look out for her videos on our YouTube channel. We are all contactable on email should you wish to send us any pictures of the activities that you have been up to or even if you just want to keep in touch. We love seeing your work and hearing how you are all getting on!

### **Writing**

*It is important to remember that when your child is writing, they will be 'sounding out' words and recording the sounds they can hear. This will mean that a high proportion of their writing is not spelt correctly, but phonetically. This is appropriate for their age and how we teach writing at school, however we would expect them to be spelling some Tricky Troll words correctly from the earlier sets. If your child asks how to write something, encourage them to sound it out or remind them if it is a Tricky Troll word that they already know.*

Watch Mrs Keeble's clip 'Week 6 – Mrs Keeble -Dear Zoo'.

Draw your own story map to help you remember the whole story. Remember to keep the story in the right order and try not to miss parts out.

Use the Dear Zoo story map to try and retell the story.

Can you do the actions as you tell the story? You could even send us a video of you retelling the story.

Don't forget to give your story map a title.

Use this week's Sentence Stimuli document to write a daily sentence about each of the pictures. Remember to check your sentence once you have finished for capital letters, full stops and finger spaces. Can you read your writing? Does your sentence make sense? Some children may want to write more than one sentence.

## Reading

All books available on 'Oxford Owl' in ages 4-5.

This website is free to sign up to and will allow you to read books online.

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

### **Tricky Troll Words:**

Continue practising your Tricky Troll words every day. When you think you are ready, move on to the next set. All sets can be found at:

<https://www.willingham.cambs.sch.uk/page/?title=Week+1+%2D+24%2E03%2E20&pid=342>

**Challenge:** Play the game 'Roll Read Colour TT words – Week 6'. See if you can colour in every square to win the game!

### **Phonics**

Watch the Phonic videos for week 6 'j' 'ear' and 'oi'. Please complete the activities within the videos. Miss Day would love to see your work via email!

### **Maths**

Watch 'Week 6 – Maths – Tens and one' on our YouTube channel.

Complete 'Week 6 – Maths – Activity 1' attached and use 'Week 6 – Maths – Activity 1 - Answers' to check you are correct. You have to try and work out which number Miss Aldhouse has built by looking at the tens and ones.

Using equipment from home (suggestions can be found at the end of the Maths video), build the following numbers and send Miss Aldhouse a photo of your work. Remember to use different objects for tens and ones.

**6, 11, 9, 13, 3, 17, 14, 25.**

## Physical Activity

Joe Wicks is doing daily P.E lessons at 9am. These are then available on his YouTube channel to complete at any time.

<https://www.youtube.com/playlist?list=PLyCLOpd4VxBvQafyve889qVcPxYEjdS>

II

If you have some chalk, create a hopscotch outside. Some children who live near Miss Aldhouse made one all the way up to 200!

Where possible, get outside for some exercise! This could be going for a walk with family, a bike ride or even running around in the garden.

## Other activities

Watch 'Week 6 – Story – Pig the Pug' read by Miss Aldhouse on our school YouTube channel.

I am sure that many of you are missing the Welly Walks with Mrs Swahn. Your challenge this week is to get outside and collect some natural materials. Using what you find outside, see if you can create a picture of a smiley face. Don't forget to share photos of your work for us to see!
