

## Y3/4 – English – The BFG

### DI

Today we're going to look at completing descriptions of The BFG.

We're going to look at the last paragraph of Chapter 1:

Suddenly she froze. *There was something coming up the street on the opposite side.*

*It was something black...*

*Something tall and black...*

*Something very tall and very black and very thin.*

We want to use two things when completing our description:

- **Ellipsis** – this is when we use three full stops at the end of a sentence. Our example is: '*It was something black...*'
- **Repetition** – this is when we use the same word more than once. Our example is the words *something, tall, black* and *very*.

### GP

We have looked at how The BFG was described walking down the street. Now have a go at filling in the missing words to describe the picture below walking down the street. Use a thesaurus or [www.thesaurus.com](http://www.thesaurus.com) to look for WOW words. Remember to repeat your words!

Suddenly she froze. *There was something coming up the street on the opposite side.*

*It was something \_\_\_\_\_...*

*Something \_\_\_\_\_ and*

*\_\_\_\_\_...*

*Something very \_\_\_\_\_*

*and very \_\_\_\_\_ and very*

*\_\_\_\_\_.*

### IP

1. Draw your own monster or giant.
2. Write your own description of your monster or giant walking towards Sophie's window. It doesn't have to be the same as the one we have looked at today! Remember to use **repetition** and **ellipsis (...)**.

If you want your teacher to have a look, you can send them an email!
