

Year 2 Maths

Wednesday 10th June 2020

LO: To find a fraction of an amount

LO: To link fractions to division

Today you are going to try a lesson from The Oak National Academy.

The lesson will start with an online quiz. You will then need to watch the lesson and pause the video to answer the questions in your book. There is then another quiz to do at the end. [Click here for the lesson!](#)
