

Independent Practice

Think about what you have learned and what you now know to finish these statements.

Write and complete these sentences in your book or complete them on this document:

The legacy that the Romans left in the UK is important because...

The ancient Romans were based in Rome but...

In the early 400s, there were invasions in other parts of the Roman Empire so...

Once you have completed that, write a detailed description to answers these questions;

Who were the Romans?

When did the Roman Empire impact on the UK?

What legacy have the Romans left behind in the UK?

Make sure your answers are detailed with evidence and examples. This should be a minimum of one paragraph to three paragraphs.
