

Week 16

Years 1 and 2 Science - Animal Groups- Lesson 1

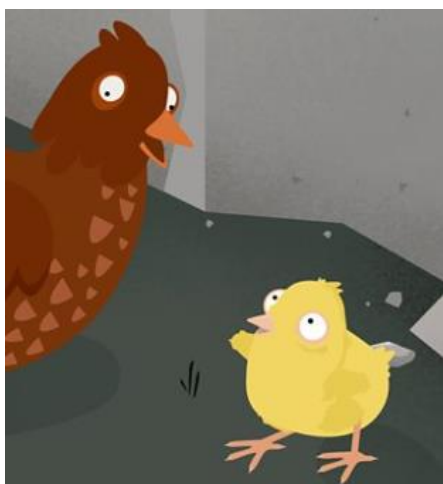

How are animals sorted into groups?

Discover some facts about each animal group by watching the [videos](#) below.

Amphibians:

Birds:

Fish:

Mammals:

Mini-Beasts:

Reptiles:

There are many interesting things to find out about different animals:

Have a go at this activity about Mammals:

Animal Groups- Lesson 2

Try this sorting activity. Either print out the sheet or draw/write in your books:
