

Y3/4 – Maths – Time

Week 16

Lesson 1

DI/GP

Today we will recap telling the time. We will be looking specifically at o'clock times.

Watch this video of Mrs Price talking through telling the time:

<https://www.loom.com/share/eab003c11d8c4b3ea4fed0d8e1a04b32>

IP

Match each clock to the correct time.

9 o'clock

one o'clock

five o'clock

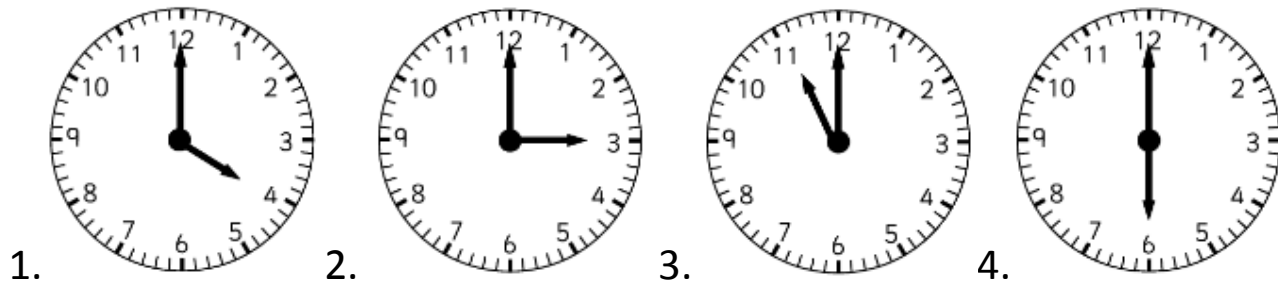

Which clock shows 7 o'clock?

Which clock shows 2 o'clock?

Write down the time shown on each clock. Make sure to write o'clock, including the apostrophe between o and clock.

Challenge

Would you like to practise more o'clock times with a game? Click on 'hours' to practise.

<https://www.helpfulgames.com/subjects/mathematics/match-clocks.html>

Are you already confident with o'clock? Follow the link and find a game with some harder times. I suggest practising game number 6: A quarter to and past.
