## Year 1/2 and The Selfish Giant

Last Friday the Selfish Giant came to visit the children to answer some questions. She explained that she had built the wall because the children kept stomping all over her flowers. The children found out, by writing and asking questions, that the giant is called Fizzard. Despite both the children and the giant being quite wary of one another at first, they all realised they could get along if they spoke nicely with each other. A very useful question and answer session!

## Sports Day – Change of Plan

We had optimistically added a sports day to the school diary for 25th June and hoped to be able to welcome you all back on-site to celebrate. Due to the ongoing situation with our year groups being separated, and after taking advice from the Local Authority, we have now had to take the decision that to hold a whole-school sports day, with parents on site, would be unwise. Instead, during the week commencing 21st June, we are hoping that each year group will have their own day to participate in sporting activities, so that the children do not miss out on the sports day experience. Unfortunately though, this year parents will not be able to join us. We apologise for any inconvenience and upset this may cause and thank you for understanding our need to continue to follow Local Authority guidance, as we emerge from the most recent lockdown.
