## Rocking The Stone Age

In the last week of the Spring Term, the pupils in Years 1 and 2 performed their Stone Age play to live audiences. The children were amazing! Everyone in Year 2 had a speaking part and they all performed brilliantly with many of the pupils learning their lines off by heart. The play had it all with dinosaur hunters (there were NO dinosaurs in the play), interesting facts, super art work, fabulous dancing and even some cheesy topical jokes! For example: What do you call a cave man who always takes the long way home?....A meanderthal! It was a real team effort and all of the staff were extremely proud of the children. Very well done to all of Year 1 for their amazing 'Cave Man Dave' poem recital and their 'We will rock you' singing and dancing. Year 2 – we thought your performance skills were amazing. Great job!

## Spirit Of The Games

Recently, our Year 6 netball team competed in a tournament which was the culmination of the annual South Cambs Bee Netball League. They represented the school impeccably, approaching their games with enthusiasm and playing with a friendly and strongly competitive spirit. During all their matches they showed strength in both attack and defence, with goals being scored by many of the team. The highlight of the afternoon came as our school team won the **'Spirit of the Games'** award, having been nominated by other schools for their teamwork and passion for the game. It was a well-deserved award as they had worked so well as a team to have fun and achieve, celebrating each other's success as well as supporting and applauding their competitors. They all put in 100%, never giving up and approached each game with enthusiasm and positivity ; we are extremely proud of the whole team, especially with the progress they have made since trying out netball in for the first time in September.
