Emergency Call in Reception!

This week in Reception, we have started a new topic learning all about emergency services. On Wednesday, we were so lucky to have two paramedics visit our school. Paramedic Tom and Paramedic Tilly brought an ambulance onto the playground and talked to us about their really important job. We all got to have a look inside the ambulance and we were shown some of the equipment in there. Tom and Tilly demonstrated how to put on an oxygen mask, how to use a stethoscope and we even got to measure Tom's blood pressure. When the paramedics started the ambulance engine and put the sirens on, we all had to cover our ears! It was an amazing visit, which has inspired us to produce some brilliant ambulance pictures in class.

Children in Need

Children In Need—Friday 18th November

We will be supporting this year's Children in Need by inviting pupils to wear something spotty **in addition to their school uniform**, not instead of. For example, a spotty top with uniform trousers or skirt, a spotty accessory such as a hairband, or add removable spots to your uniform!

As usual, we would encourage a suggested donation of £1 towards this good cause. Donations will be collected in each classroom. For children booking a school meal that Friday, a Pudsey cookie will be included.
