Dear Parents and Carers,

The After School Club welcomes all Willingham Primary School children from the Foundation Stage through to Year Six.

The After School Club is open from 3.15pm to 6.00pm during term time. Its purpose is to give parents the option of after school care and support for their children. In doing so, we provide all our children with a range of activities, to suit all ages and abilities. To sustain your child after a working day at school we also offer all children a healthy snack (a light snack and drink are included in the fees) to support their physical well-being. Below we set out the aims and scope for the Willingham After School Club and our terms and conditions.

Attached is a Registration Form and Session Application Form. Please complete these and return them to the School Office. Once we have processed these you will receive a quick email confirming your child's place and a start date.

Please take a few minutes to read our terms and conditions. When signing your Session Application you are signing to say that you have read these.
